ATTACHMENT A

The property to be searched are two cell phones and the SIM cards located within each, collectively, "the Devices":

- a. An Apple iPhone 6S, Model A1633, FCC ID BCG-E2946A bearing a sticker barcode with the number 027411, hereinafter Device 1. The phone's serial number is not available without accessing the phone. The SIM card in the phone bears the following markings: 8926104261 Telma M 4G 601369250. The protective case of the phone bears a sticker with the number 034 49 352 10. The Device is currently secured at the DSS Office of Special Investigations, 1800 N. Kent Street, Arlington, Virginia.
- b. An Apple iPhone 7, Model A1660, FCC ID BCG-E3085A, hereinafter Device 2. The phone's serial number is not available without accessing the phone. The SIM card in the phone bears the following markings: 8926104261 Telma M 4G 601369235. The Device is currently secured at the DSS Office of Special Investigations, 1800 N. Kent Street, Arlington, Virginia.

This warrant authorizes the forensic examination of the Devices for the purpose of identifying the electronically stored information described in Attachment B.

ATTACHMENT B

All records on the Devices described in Attachment A that relate to the victim, Kevin Webb's activities, whereabouts, and communications preceding his death, including:

- a. Any Device application that facilitates communication, particularly translated communication;
- b. any archived information related to Mr. Webb's location as recorded by the Devices' GPS;
- c. any information, such as contact information, demonstrating the nature of the relationship between Mr. Webb and the subject of investigation;
- d. any Device media which, with time-stamps, correlate Mr. Webb's location and activities in the hours preceding his death; and
- e. evidence of user attribution showing who used or owned the Devices at the time the things described in this warrant were created, edited, or deleted, such as logs, phonebooks, saved usernames and passwords, documents, and browsing history.

As used above, the terms "records" and "information" include all of the foregoing items of evidence in whatever form and by whatever means they may have been created or stored, including any form of computer or electronic storage (such as flash memory or other media that can store data) and any photographic form.
